All color selections are close representations, but are limited by processing and viewing conditions.

Lead times may vary by product selection. Contact your Butler Builder® for more information.

GUAGE AVAILABILITY

- Butlerib® II & Shadowwall™ - 26 gauge
- StylWall® II Flat - 26 gauge
- StylWall® II Fluted - 24 gauge
- MOD-36 - 22, 24, 26, and 28 gauge
- Trim - 26 gauge

*Also available in 24 gauge for Butlerib® II, Shadowwall™ and MOD-36

A Commitment to Building Green

All standard Butler-Cote™ 25-year fluoropolymer color finishes feature a Solar Reflectance Index (SRI) of 29 or greater.

Enhance and Protect the Beauty

The standard exterior paint finish for all Butler panels and trim is the Butler-Cote system, consisting of a full strength 70% Kynar 500® or Hylar 5000® PVDF resin-base fluoropolymer finish.

The Butler-Cote system resists the chalking and fading that often leaves a building looking drab

and dated. Our 25-year warranty guarantees that, on roof and wall panel standard colors, chalking will not exceed a rating of #8 and fading will not exceed 5ΔE color difference units. The warranty also covers peeling, cracks, or chipping of the paint finish.

While many manufacturers' warranties are prorated after a certain period of time, we offer our Butler-Cote roof and wall panel warranty for a full 25 years—with no prorating. It's a testament to our high performance standards.

FLUOROPOLYMER FINISH VS. SILICONE POLYESTER AFTER 8 YEARS OF WEATHERING.

	Butler-Cote™ Fluoropolymer Finish	Industry Standard Silicone Polyester Coating
